

MARGIE HOLMSTROM

Senior HR Generalist

“Aim for the sky, but take it slow and enjoy the ride.”

GAME CHANGER STATS

Margie is deliberate and thoughtful, often taking a methodical approach and prioritizing quality. Margie tends to consider carefully before giving input, wanting time and space to think things through.

HOLLER WHEN YOU NEED...

- A job done that requires precision
- A problem solved with complex logic
- To ensure stability

WORK HIGHLIGHTS

Margie is an accomplished human resource professional with 25+ years of experience in various human resources, administrative, and operations roles. She has held positions in the private, public and non-profit sectors.

Margie is a strategic, resourceful, and reliable professional, handling high volume, complex employee relations matters with dual certifications by the Human Resources Certificate Institute specializing in California employment law and wage and hour laws. She is a trusted advisor to leadership on all things HR compliance, risk mitigation, policy development and implementation, compliance, auditing, benefits, and payroll.

Margie brings passion and innovation to everything she does, thinking outside the box and developing unique solutions while promoting teamwork and flexibility. Her grounded and soothing demeanor, coupled with the ability to always appear calm under pressure make her a natural team leader and mentor.
